Together Bringing Hope to Children & Families

## ABOUT Being A Representative

Our greatest advocates and fundraisers are the individuals, families and outreach groups who have spent time on Beautiful Gate's campus - the ones who know us, love us, and share our story and our mission with their local communities.

We are seeking out individuals who not only

have a heart for the work done at Beautiful Gate, but who want to play an active role in helping raise support for the work around the world in order to ensure growth and expansion. **Can you commit to representing Beautiful Gate?**

## HOW?

Representatives take the story of what God is doing in Lesotho through Beautiful Gate to their local communities. through different means: a conversation over coffee with a friend or a relative, or a formal presentation at your

church, school, or business.

We are challenging you to share our mission with people in your sphere of influence. You never know who might be inspired to invest in Beautiful Gate based upon hearing from you.

## Organising Fundraisers

Representatives play an active role in providing avenues for donors to invest.

Put together a 5K run/walk, host a dinner with silent auction, ask local restaurants to donate a percentage of their profits, organise a neighbourhood or church secondhand sale, etc. The options are endless and only limited by your imaginations.

## Leading an Outreach

Most people's journey with Beautiful Gate begin right here on our campus. Representatives know that the best way for someone to catch the vision is for them to experience it first hand.

Take the initiative to make a way for others to see, experience and invest in Beautiful Gate for themselves. A good representative works to help make new representatives.
